### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicant's amendment generally changed the claims to the meaning that the second platform with the second set of keys stays in within the periphery of the housing both in the first and the second positions, which makes them allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
